American Journal of Public Health

INDEX TO VOLUME 68, JANUARY–DECEMBER, 1978

Author Index

The author index contains all authors names listed alphabetically with the pagination of entries preceding the name. Abbreviations designate the type of entry.

a = article
br = public health brief
com = commentary
e = editorial
his = public health then and now
law = public health and the law
ltr = letter to the editor

Subject Index

This is ostensibly an alphabetical list using key words in the titles of the entries as subject headings. Some entries are listed under more than one subject heading if applicable. The Journal Departments, under their titles, i.e., ASSOCIATION NEWS, BOOK CORNER, etc., are listed in the subject index with pagination showing their positions in the volume. Editorials are listed alphabetically by title under EDITORIALS and also under applicable subject headings. LETTERS TO THE EDITOR are listed alphabetically by the title designated to them by the editorial staff. They also appear under appropriate subject headings with the names of the correspondents and the pagination listed together when various letters and responses are on one topic. Deaths are listed alphabetically under DEATH, Obits under OBITUARIES.
